Cut yarn leaving a 20 in/51 cm tail. With tapestry needle, run the yarn through the remaining live sts at the top of the mitten. Pull tight and run the yarn to the inside of the mitten to the thumb hole. Run the yarn through the 4th st on the needle, leaving the st on the needle. This is in preparation for the I-cord thumb.

Work 2 rounds of I-cord as follows:

With the yarn from the top of the mitten that was run through the 4th st on the spare needle, pull the yarn behind the work over to the first st, k4. Slide the 4 sts to the other end of the dpn, pull the yarn behind the work over to the first st, k4. Run the yarn through the 4 live sts. Pull tight and run the yarn to the inside of the mitten.

Mitten Leash

Using either the remaining yarn from the thumb or a new piece of yarn and the crochet hook, attach the 2 mittens with a chain stitch cord. I made my cords about 6 in/15 cm long.
